COLORS

Resonators and Rain Wheels are painted in safety colors (red, yellow, blue, or green).

Post-consumer Plastic instruments (music stations, metallophones, marimbas, amadindas, and kalimbas) have an HDPE panel that is available in red, yellow, blue, green, or tan.

Mallets come attached to each instrument that requires them. Mallets are made from UV rated polyurethane, strung on vinyl coated stainless steel cable with an additional protective housing. Additional mallets are \$42 each.

Custom Music Notation Panels are available for some instruments and are priced by size for each instrument, from \$580.00.

Shipping cost is additional.
